Finding What Will Suffice

Went to the studio
to see tons.
Reached a public?

"About 1%--I've given up!
But YOU can come in
anytime." So? And

learn all there is
to know about you? "Right!
About art! A LIFE!"

That's not enough I
must say that's
never enough.

"What the fuck MORE can I do?
What am I,a ROCK?"

Nothing. Just work.
Die when you stop.
